## Are you facing court without a lawyer?

**We can help at all stages of the court process**

We are a charity based in the court building. Volunteers provide **free support** in the civil and family courts, with issues such as access to children, divorce, eviction and money claims.

### **Support Through Court volunteers can.....**

- listen to you, and provide information and support
- help you find out if you can get free legal advice
- discuss settling issues without going to court
- explain how the court works
- help you fill in court forms and organise court papers
- go into court with you, take notes and help afterwards
- provide details of other specialist agencies

**Please note that we cannot give legal advice**

We can often help right away, or you can book an appointment.
